HOA Newsletter October 2017

Dear members,

It has been a quiet three months since we sent you our previous Newsletter in early July 2017.

1.

We await with interest the proposed Contract for 2018 which, as already advised, will this year not have been pre-agreed with your Board. We do not yet know when this proposed Contract will be issued by CC/QdP Management.

Whenever that is, the Board will circulate a Commentary to our Members, as quickly as we can.

It will then be up to each Member to negotiate any changes in that proposed Contract, directly with CC/QdP Management – and we will all just have to see how time-consuming this may prove to be.

2.

Your five Boardmembers will be having a face-to-face meeting in Holland in early December. Please contact our Secretary with any particular issues.

3.

The HOA Board is still expecting to conduct an audit of the Central Facilities costs, at QdP, in late January or early February 2018, also as already advised.

4.

Our next Annual General Meeting is still planned for Saturday pm, 17 March 2018, at QdP.

Alan Jenkins, HOA Chairman, for the Board
